Verdict

| Specification | Frozen III | Minions & Monsters                                                                                                          |
|---------------|------------|-----------------------------------------------------------------------------------------------------------------------------|
| Pros          | -          | Fresh Old Hollywood setting for the franchise; One of the best-reviewed Minions entries; John Powell's energetic orchest... |
| Cons          | -          | Domestic opening underperformed franchise norms; Second half leans into chaotic excess; Humor remains heavily dependent...  |
